## National Electric Power Regulatory Authority

### NOTIFICATION

Islamabad, the 29<sup>th</sup> day of December, 2023

S.R.O. **1873 (I)/2023**. - In pursuance of Proviso (ii) to Sub-Section 7 of Section 31 of the Regulation of Generation, Transmission and Distribution of Electric Power Act, 1997 (XL of 1997), NEPRA hereby notifies complete Decision of the Authority along with Addendum to the said Decision in the matter of Requests filed by XWDISCOs for Periodic Adjustment in Tariff for the 1<sup>st</sup> Quarter of FY 2023-24. The said Decision of the Authority and the Addendum have already intimated to the Ministry of Energy (Power Division) on December 20, 2023 and December 21, 2023 respectively. Accordingly, a rate of Rs.1.1502/kWh shall be recovered from different consumers/categories of XWDISCOs and K-Electric, as per **Annex- A & B** in a period of 03 months i.e. **January 2024 to March 2024**.

2. While effecting the Decision, the concerned entities including Central Power Purchasing Agency Guarantee Limited (CPPAGL) and K. Electric shall keep in view and strictly comply with the orders of the courts notwithstanding this Decision.

[Case No. NEPRA/TRF-100]

**DECISION OF THE AUTHORITY IN THE MATTER OF REQUESTS FILED BY XWDISCOs FOR PERIODIC ADJUSTMENT IN TARIFF FOR THE 1<sup>st</sup> QUARTER of FY 2023-24**

1. The Authority determined Consumer-end Tariff for FY 2023-2, including Power Purchase Price (PPP) reference for XWDISCOs on July 14, 2023, and intimated same to the Federal Government. The Federal Government, against the aforementioned determinations/decisions, filed Motion, under Section 7 and 31 of the NEPRA Act 1997 read with Rule 17 of the NEPRA (Tariff Standards and Procedure) Rules, 1998 for recommendation of uniform consumer end tariff. The said Motion was decided by the Authority on July 25, 2023 and was subsequently notified by the Federal Government w.e.f. July 01, 2023.
2. XWDISCOs, in line with the NEPRA Act and prescribed quarterly adjustment mechanism as per their tariff determinations, filed adjustment requests on account of variation in PPP, including impact of T&D losses etc., for the 1<sup>st</sup> quarter of the FY 2023-24 i.e. from July to September 2023, including addendums, as summarized below;

\* - XWDISCOs that have revised their request

3. Although, the proposed quarterly adjustments are formula based and as per the already prescribed mechanism but since the impact of any such adjustments has to be made part of the consumer end tariff, hence, the Authority, in order to provide an opportunity of hearing to all the concerned and meet the ends of natural justice, decided to conduct a hearing on the issue.
4. Hearing in the matter was scheduled on November 14, 2023, for which advertisement was published in newspapers on October 28, 2023, along-with subsequent addendum on November 9, 2023. Separate notices were also sent to the stakeholders for inviting comments from the interested/ affected parties. Salient features of the proposed adjustments along-with adjustment requests/addendums of all DISCOs were uploaded on NEPRA's website for information of all concerned.
5. Hearing was held as per the Schedule on November 14, 2023, which was attended by the Ministry of Energy, Power Division (MoE, PD), XWDISCOs, CPPA-G, K-Electric and other stakeholders including General public and media.
6. The Authority, in order to work out the instant quarterly adjustments of XWDISCOs, obtained details of actual Power Purchase cost billed by CPPA-G to DISCOs for the 1<sup>st</sup> quarter of the FY 2023-24 i.e. July to September 2023. CPPA-G provided the information, and also certified that:
  - a. **2002 Power Policy Plants**
    - i. Invoices of all Capacity Purchase have been processed in accordance with rates, Terms & Conditions as determined by NEPRA. Payments related to periodical adjustments are also made as per decision of NEPRA.

1/10

- ii. The above statement is true, based on facts and from verifiable documentary evidences. In case of any deviation/variation observed if not rectified at later stage, CPPA-G will be responsible for the consequences arising out of any misstatement under NEPRA Act and its Rules & Regulations.
  - b. **1994 Power Policy Plants**
    - i. Invoices of all Capacity Purchase have been made strictly in accordance with the rates, terms & conditions as stipulated in the respective Power Purchase Agreement.
    - ii. All payments to IPPs are being made after observing all formalities provided in the respective Power Purchase Agreement.
    - iii. The above statement is true, based on facts and from verifiable documentary evidences. In case of any deviation/variation observed if not rectified at later stage, CPPA-G will be responsible for the consequences arising out of any misstatement under NEPRA Act and its Rules & Regulations.
7. Thus, for the purpose of determination of 1<sup>st</sup> quarterly adjustment for the FY 2023-24, the information submitted by CPPA-G along-with certification of CPPA-G has been relied upon. The plant wise detail of capacity charges and utilization factors for the quarter July to September 2023, as submitted by CPPA-G are attached as **Annex-C** with the instant decision. In case of any variation, error, omission or misstatement found out at a later stage, CPPA-G shall be responsible and the same would adjusted in the subsequent quarterly adjustments.
8. The Authority observed that vide its decision dated December 01, 2020, while approving the Motion filed by the Ministry of Energy (Power Division) with respect to recommendations of support package for additional consumption and abolishment of Time of Use tariff scheme for Industrial Consumers of XWDISCOs, whereby a rate of Rs.12.96/kWh was allowed for B1, B2, B3 and B4 consumers w.e.f. 1<sup>st</sup> November 2021 to 31<sup>st</sup> October 2023, it was decided that;  
*"...in future in order to streamline its approach with the proposal, the Authority has decided to modify its calculations methodology for subsequent periodic adjustments.*  
*No Quarterly adjustments would be passed on to B1, B2, B3 and B4 industrial consumers to the extent of incremental sales till continuation of the instant package, as the capacity charges would be actualized from the previous level of corresponding months sales"*
9. In view of the above decision, submissions of CPPA-G and earlier decisions of the Authority, the Authority has decided to work out the quarterly adjustment based on net units i.e. units purchased for Industrial incremental sales have not been included while working out the quarterly adjustments. The units netted off on account of incremental sales have been provided by CPPA-G. Accordingly, the cost recovered on such incremental units, over and above the Fuel cost i.e. (Rs.12.96 less Reference Fuel Cost for each month) has been adjusted from the quarterly adjustments, worked out based on net units. Resultantly, the Prior Year Adjustment (PYA) as well as sales mix for the period would be worked out based on net units i.e. excluding units purchased for Industrial incremental sales. Hence, no further adjustment would be allowed for such units purchased.

10. CPPA-G vide its letter dated 07.11.2023, has also requested to allow Rs.743.16 million on account of legal charges, which were previously disallowed by the Authority and Rs.127.67 million for the instant Quarter, as detailed below;

Period	Disallowed Amount (in million)	Status
FY 2019-20 2 <sup>nd</sup> Quarter to FY 2020-21 4 <sup>th</sup> Quarter	455.11	Disallowed
FY 2021-22 1 <sup>st</sup> Quarter	52.32	Disallowed
FY 2021-22 (2 <sup>nd</sup> Quarter)	5.56	Disallowed
FY 2021-22 (3 <sup>rd</sup> Quarter)	33.10	Disallowed
FY 2021-22 (4 <sup>th</sup> Quarter)	(0.05)	Disallowed
FY 2022-23 (1 <sup>st</sup> Quarter)	4.21	Disallowed
FY 2022-23 (2 <sup>nd</sup> Quarter)	14.93	Disallowed
FY 2022-23 (3 <sup>rd</sup> Quarter)	139.37	Disallowed
FY 2022-23 (4 <sup>th</sup> Quarter)	38.61	Disallowed
FY 2023-24 (1 <sup>st</sup> Quarter)	127.67	Requested
<b>Total</b>	<b>870.83</b>	

11. CPPA-G submitted that it is engaged in Local & International legal proceedings in its capacity as agent of DISCOs, the litigation charges incurred by CPPA-G on behalf of DISCOs are passed on to DISCOs in accordance with the Article III of Power Procurement Agency Agreement (PPAA) between CPPA-G and DISCOs dated June 03, 2015.
12. Here it is pertinent to mention that the Authority in the determinations of CPPA-G Market Operation fee observed that CPPA-G reflects the costs incurred on account of legal / litigation charges in the capacity costs billed to DISCOs. The Authority had directed CPPA-G to include such costs in its market operation fees and get it approved from the Authority.
13. The Authority, in consistency with its earlier decision in the matter, has decided not to allow the amount of legal charges requested for the 1<sup>st</sup> Quarter amounting to Rs.127.67 million and also the previously disallowed amounts of Rs.743.16 million, while working out the instant quarterly adjustment.
14. In light of above discussion, information submitted by CPPA-G and adjustment requests filed by XWDISCOs, the Authority has decided to restrict the amount of quarterly adjustment for the 1<sup>st</sup> Quarter of FY 2023-24, as requested by XWDISCOs on account of variation in Capacity charges, Variable O&M, Use of System Charges and Market Operator Fee. However, regarding FCA impact on T&D losses, the same has been worked out as per the Authority's approved monthly FCAs decisions for the relevant months, as at the time of filing of quarterly adjustment request by DISCOs, approved FCA for the month of Sep. 2023 was not available. Similarly, for working out the impact of recovery of fixed cost on incremental sales, the data of incremental units as provided by CPPA-G has been considered, as few of the DISCOs did not provide the required information in their adjustment requests.
15. Based on the discussion made in the above paragraphs and after considering the aforementioned adjustments, the Authority has determined a positive adjustment of Rs.22,297 million on account of variation in Capacity charges, Variable O&M, additional recovery on Incremental sales, Use

2/2  
Date: 9

of System Charges, Market Operator Fee and FCA impact on T&D losses for the 1<sup>st</sup> quarter of FY 2023-24.

16. Here it is pertinent to mention that as per earlier practice, and the fact that the adjustment is being made in the already notified Uniform tariff, the Authority beside determination of DISCO wise rate of quarterly adjustment, also determines a uniform rate for the quarterly adjustments to be charged from the consumers, as mentioned below;

Description	UNIT	FESCO	GPPCO	HESCO	SBPSCO	IFESCO	IESCO	MEPSCO	PESCO	TESCO	QESCO	Total

17. In view thereof, the Authority hereby allows the positive quarterly adjustments of Rs.22,297 million pertaining to the 1<sup>st</sup> quarter of the FY 2023-24, to be recovered from the consumers of XWDISCOs in a period of 03 months i.e. January 2024 to March 2024, as per the category wise rates mentioned in the SoT attached herewith as **Annex-A**.

18. Here it is pertinent to mention that Federal Government issued Policy Guidelines to NEPRA, vide letter dated 22.08.2023, ratified by the Federal Cabinet, for uniform application of quarterly adjustments on XWDISCOs and K-Electric consumers. The policy guidelines state that NEPRA shall determine the same tariff rationalization for K-Electric consumers as determined for XWDISCOs consumers, with same application period. The Policy Guidelines are reproduced hereunder:

- i. *In order to maintain uniform tariff across country, NEPRA shall determine application of quarterly tariff determinations (QTAs) of XWDISCOs on KE consumers by way of tariff rationalization. NEPRA shall determine the same tariff rationalization for K-Electric consumers as determined for XWDISCOs consumers, with same application period, keeping in view financial sustainability of the sector and uniform tariff policy of the Federal Government.*
- ii. *Subsidy or surcharge against the determined tariff for K-Electric consumers shall be assessed on an annual basis instead of monthly or quarterly basis.*
- iii. *Federal Government's motion with respect to recommendation of consumer end tariff for K-Electric Limited dated March 17, 2023 pursuant to the 1<sup>st</sup> Quarterly adjustment of FY 2022-23 determination for XWDISCOs, shall be considered accordingly.*

19. It is also important to mention here that in light of aforementioned policy guidelines, the Authority earlier allowed application of the 4th quarterly adjustment of FY 2022-23, determined for XWDISCOs, on the consumers of K-Electric, with the same applicability period, as of XWDISCOs.

Math 9

20. In view of the foregoing discussion, relevant provisions of NEPRA Act, NE Policy and the Policy Guidelines issued by the Federal Government, the Authority has decided to allow the application of instant quarterly adjustments on the consumers of K-Electric as well, with the same applicability period. Accordingly, the instant quarterly adjustment of Rs.1.1502/kWh shall also be charged from the consumers of K-Electric, to be recovered in a period of 03 months i.e. January to March 2024, as per the category wise rates mentioned in the SoT attached herewith as **Annex-B**.
21. While effecting the Quarterly Adjustments, the concerned DISCOs shall keep in view and strictly comply with the orders of the courts notwithstanding this order.
22. The instant decision along-with attached Annexures, is intimated to the Federal Government, prior to its notification in the official Gazette as per Section 31 (7) of the NEPRA Act.
